FRIENDSHIP

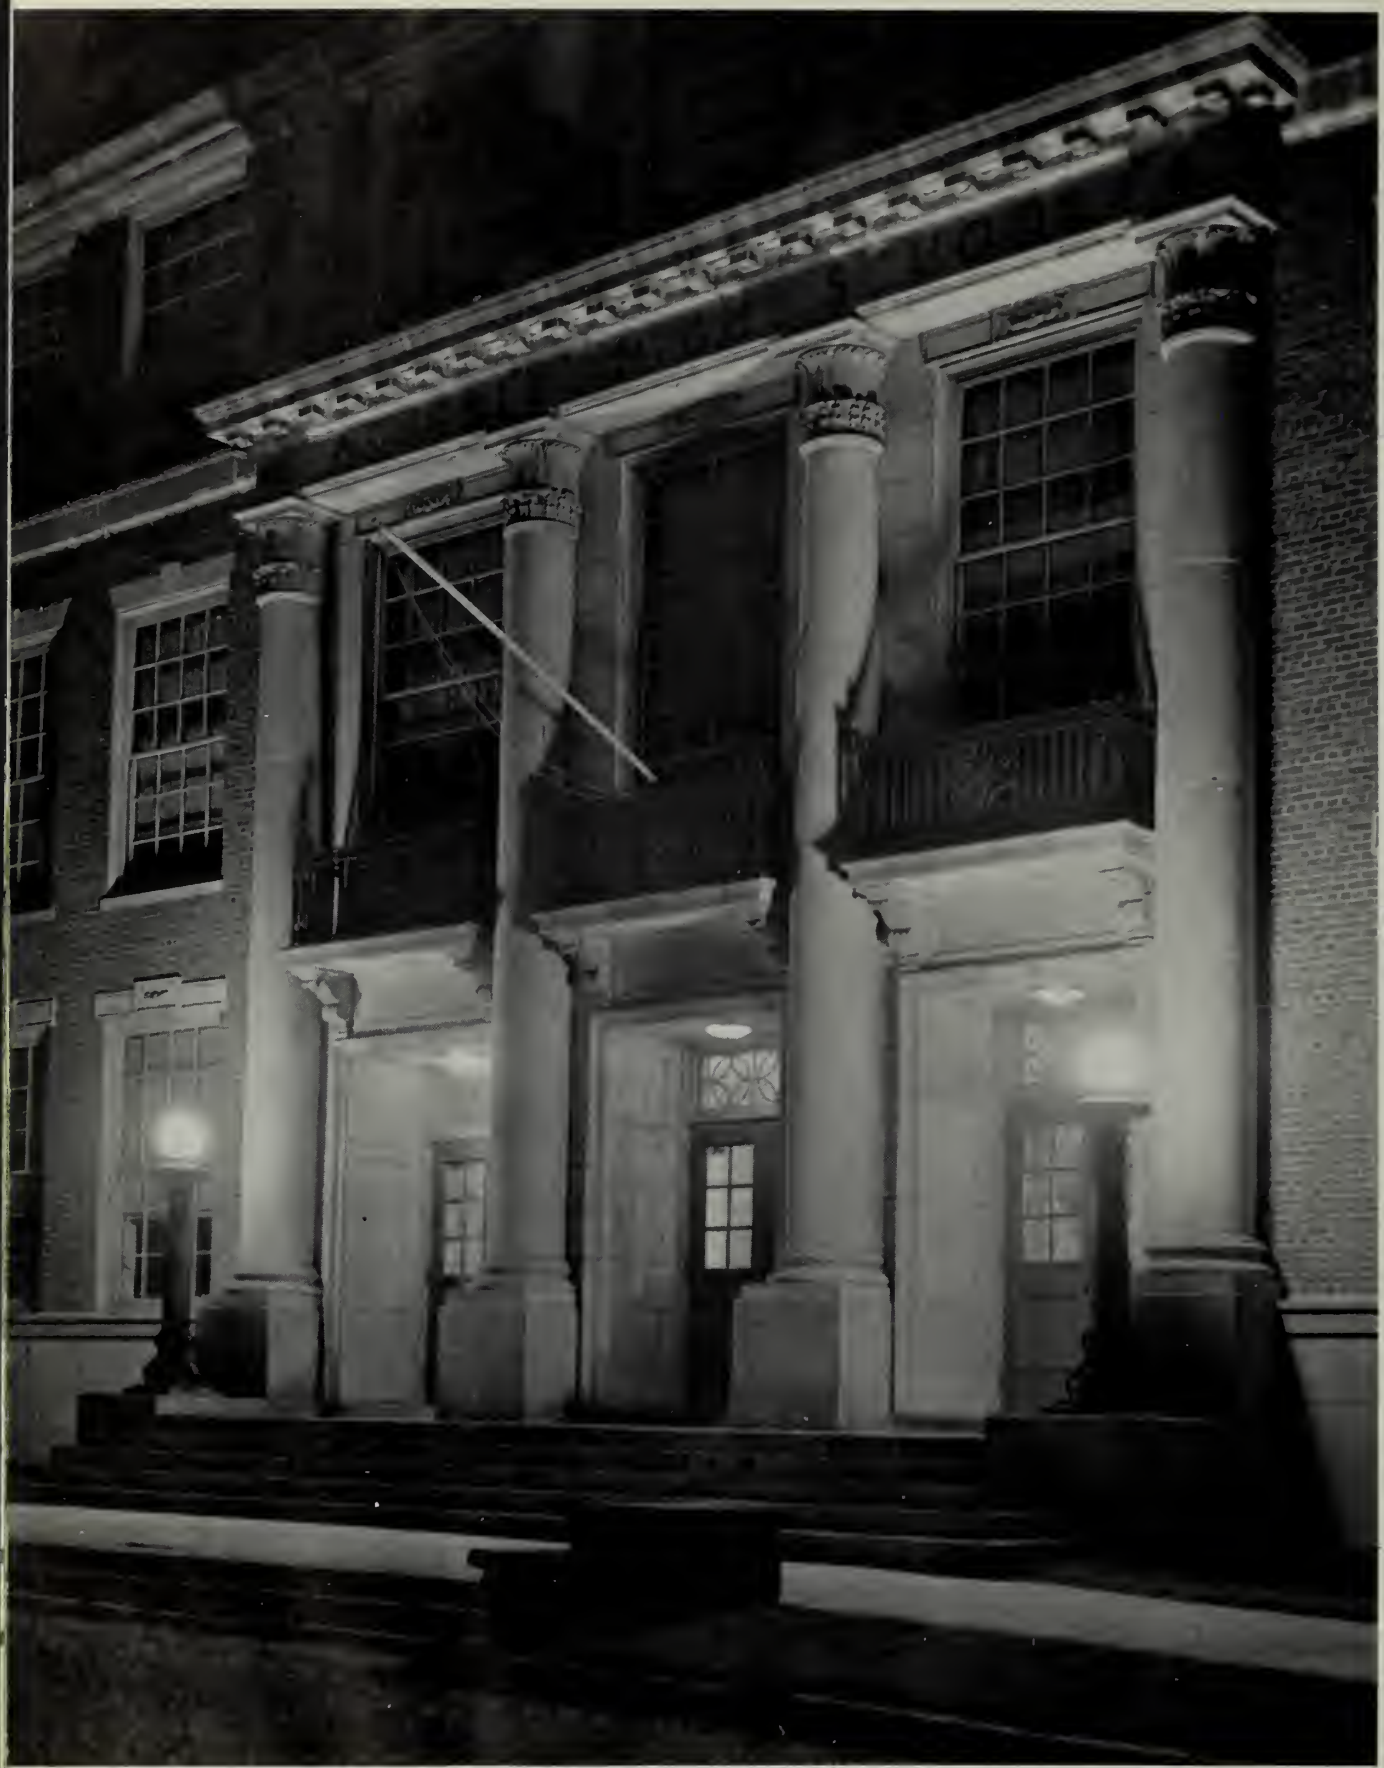

Foreword

The lovable little character pictured below is Hobart, who is, in his own way, as essential to our yearbook as spirit is to our school.

For it is Hobart — a frisky, friendly and energetic little creature whom we've chosen to convey the ideals of our Beverly High School: no longer for us only an edifice where learning may be pursued, but now a symbol of the friendship we've found here, the carefree years we've spent here, and the beginning of an awareness and understanding of life we've gained here.

We feel that, through Hobart, we shall always be able to look back and recapture some of the atmosphere of knowledge and learning we knew at BHS, and a few of the unforgettably happy, sad, magical, painful, and always wonderful moments of awakening that shall ever be part of us and our school . . .

. . . B.H.S. — Light of Our Learning

Faculty

Principal, Advisor, Friend

Three years ago the class of 1960 entered Beverly High School; with this new class came a new principal, William J. Foley.

Through these past years we have all adjusted to new surroundings, made many new friends, and become a part of the spirit of B.H.S. Now in our year of graduation we must leave Mr. Foley, but we are secure in the knowledge that he will guide other classes as ably as he has ours.

Mr. Claude Patten

SECRETARIES: Miss Reta G. York and Mrs. Jeanette Corse.

Trade School

Under the adept direction of Mr. Claude Patten, this special branch of education prepares students for trades, crafts, and mechanics. The courses in cabinetmaking, auto mechanics, machine shop, carpentry, pattern-making, and sheet metal are expertly taught by the Trade School's capable instructors. To supplement the practical education offered, academic and related courses are alternated weekly. The academic subjects included are English, history, citizenship and economics, and hygiene, while the related courses are trade drawing, related math, related science, and trade topics. Thus, the Trade School, both practically and academically, plays an important part in our community by preparing boys to be skilled workers in their chosen fields.

Some of the objectives of General Shop are to teach the boys the care and use of hand tools and machines, to instruct them in the correct methods of construction and finish, and to impress upon them the need for and use of various safety measures.

By taking college preparatory course, many general shop students are thus prepared to take the Civil Service Examinations for admission to a technical school. Others, by electing a general course, are able to enter an apprenticeship in industry.

Beverlega Editors

SEATED: Hinda Katz, art editor; Cynthia Davis editor-in-chief. STANDING: Diane Hubbard, photog raphy editor; Faith Taylor, copy editor.

The six staffs of *Beverlega* are kept busy year 'round. The members of the copy staff with Faith Taylor as copy editor and Mr. William Cooper as copy advisor are responsible for writing and proofreading all copy. Under the leadership of Diane Hubbard as photography editor, the photography staff must plan schedules for the photographer, help take pictures, and write the necessary information on the back of each picture. With Hinda Katz as art editor and Mr. Le Blanc as art advisor, the members of the art staff submit sketches for a yearbook theme and draw the divider pages. Hinda drew the end sheet and created Hobart, our symbol of friendship.

The three business staffs are essential to a well-planned yearbook. The subscription staff under the direction of Miss Eleanor Griffin, consists of members who obtain orders and payments for yearbooks. The typing staff, with Miss Martha John as advisor, is responsible for typing all written material. The advertising staff must solicit ads from various businesses under the direction of Miss Margaret Miner.

The editor-in-chief of *Beverlega*, Cynthia Davis, supervises the work of these six staffs. She conducts *Beverlega* meetings, plans preliminary layouts of pages, and draws many of the final layouts. She is responsible for correcting the first draft of the yearbook and for meeting deadlines. She also explains yearbook planning to the junior and sophomore members of *Beverlega* and helps them to plan their sections.

Miss Isabel Harriman, the general advisor of *Beverlega*, supervises all yearbook work. She advises the editors and members of the staffs. She also corresponds with the Taylor Publishing Company which is to publish the 1960 *Beverlega*.

Scholarship Awards

This year B.H.S. has created an award for scholastic achievement. This award is in the form of a charcoal-gray blazer with the school seal in orange affixed to its pocket.

In order to attain this award one must achieve a 3.6 average. This figure is obtained by averaging all the student's quarterly marks, assigning to each a value so that A=4, B=3, C=2, D=1. With this new incentive it is hoped that students will strive for higher marks.

Its Victories and Defeats

We at Beverly High School are very proud of our 1959 football team. We entered the competition this year with a new coach and a "green" team with very few returning veterans. Yet, by the end of the season, under the skilled guidance of Coach Roy Norden, formerly of Marlboro High School, the team had compiled the laudable record of five wins and four losses, including a heartbreaking defeat by Salem of 2-0. Outstanding players include Co-captain "Red" Fabri who has been called one of the best linemen in the state, quarterback Jeff Forbes, who received honorable mention in the state rating, and Co-captain Bill Lemire who received the Birmingham Trophy and the McLean Trophy.

Indoor Track

Our indoor track team, under the able supervision of Coach William Jenkins and Captain Louis Cellineri, made a good showing, placing fifth in the state. The many diversified events gave several boys a chance to make the team. These events include the 40 yard high hurdles, the 40 yard dash, the 330, 660, and 990 yard runs, the mile, the high jump, the shot-put, and the relay.

Flying through the air with the greatest of ease.

Now to put on that final spurt!

Boys' Basketball

Beverly's boys' basketball team, although a little green this year, did well under the expert guidance of Coach George Taylor. We ended the season with a record of ten wins and six losses, including a double win over rival Salem, the first time this has been done in over ten years. Harry Mavragis, George Misins, and Allen Ryan were the high scorers for the year.

Junior Class History

The class of '61 has assumed an important niche at Beverly High School; after two years, we can look back on past accomplishments with pride and look ahead to the future with confidence. Our varied talents and interests have led us into every phase of B.H.S.'s program, from scholastic endeavors to sports, to dances, to just plain fun. As well as acquiring a thorough education, we have made lasting friendships and have enjoyed the companionship of a great class. On the threshold of our final year at Beverly High we must keep sight of the efforts that have made our sophomore and junior years so fruitful and pleasurable and must continue these efforts, so that our senior year may be as prosperous and enjoyable.

Seniors

We Thank You,

Our principal, William J. Foley

To the Editor of the 1960 Beverlega:

The 1960 issue of Beverlega will be another in a long series of Beverly High School Yearbooks. It is of great interest to all of the students of our school as well as to their parents, but is of special significance to the members of the Class of 1960. To them I will address the message you requested.

Three years ago when I first met with you during the Sophomore Orientation Assembly I, as well as members of the Guidance Staff, told you that not only were the many great privileges of this school to be yours, but also that great responsibilities of intensified study and achievement and exemplary citizenship would fall upon you. The fact that you will graduate on June 16 assures me that you have accepted these privileges and fulfilled the responsibility of doing the required work in your various courses. Decisions in the future will no doubt be many, but you will discover that the lessons you have learned these past three years have equipped you to make decisions with confidence.

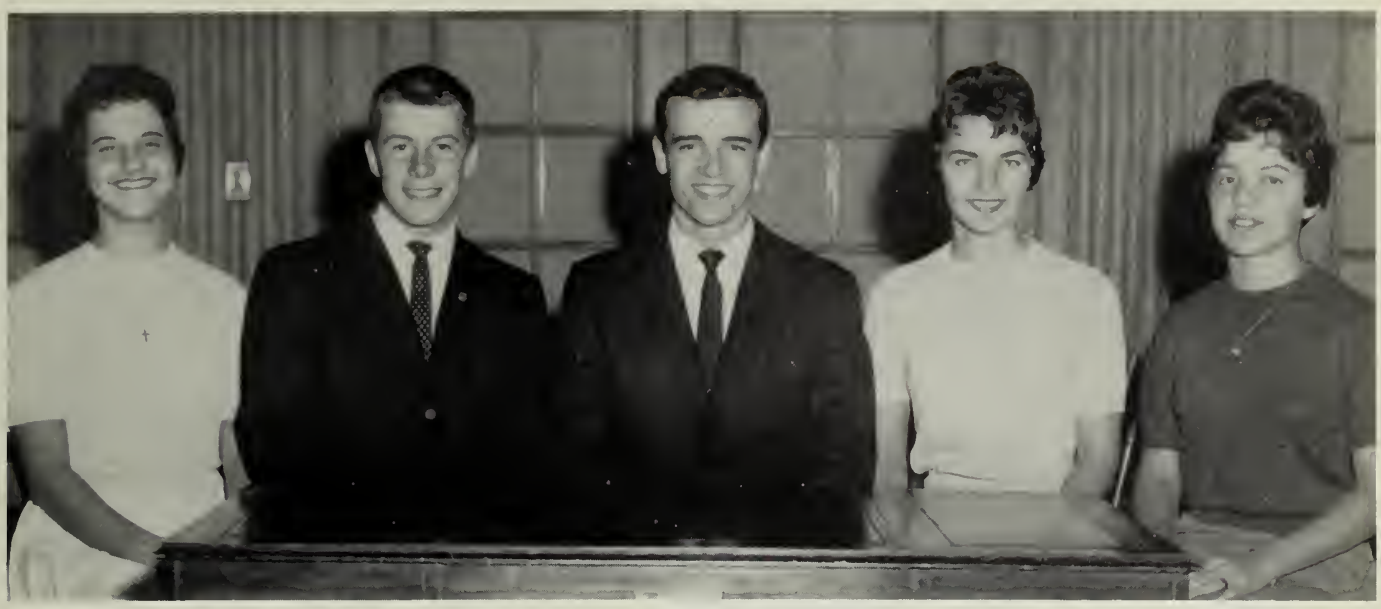

The faculty and I congratulate you on your graduation. We will miss you but we invite you to come back as often as you can. Call on us for help whenever you think we can be of assistance. Good luck and best wishes to everyone in the Class of 1960.

For your patient guidance throughout our high school years and your unselfish interest in us and our problems, we wish to express our deepest gratitude.

Our advisors, Ralph Lizio, Constance Turlo, William Jenkins.

Take Me Out to the Ball Game

As Coach George Taylor has said: "This year was a building year for Beverly High's baseball team."

The team finished the season with a record of three wins and twelve losses. However, because of the large number of returning players, a strong team is expected for next year.

Captain Gerald Pelonzi and Coach George Taylor

Miss Martha John Retires

MISS MARTHA JOHN

This June one of the mainstays of Beverly High School is retiring. After having taught in North Easton, Massachusetts, Miss Martha C. John came here in 1921 when the building was new and has been here ever since. Throughout her past years of service at Beverly High, she has undertaken various activities. Among the courses she has taught are family living, bookkeeping, typing, shorthand, transcription, and office practice. She has also played an important role in extracurricular activities, havng been class advisor, sponsor of the Business Education Club, and head of the subscription and typing committees for *Beverlega*.

Miss John's plans for her leisure include traveling, visiting, and devoting time to her hobbies. Her collections include colored glass, unusual pieces of china, odd plates, and all types of greeting cards; she has also filled many albums with photographs and match covers. In addition, she will spend much time at her picturesque camp in New Hampshire.

Spring Assemblies

"To open our Memorial Day Assembly . . ."

Mr. Amerding talks of patriotism.

Taps has sounded . . .

Among the traditional assemblies presented to the school toward the close of the year were the Memorial Day Assembly to remind us of our heritage and the Awards Assembly to reward those deserving students among us.

CLASS SONG

Music to the tune of, "Follow The Gleam"

Through three years at Beverly High
We have studied, learned, and advanced
To our classes, our clubs, our friends
We look back with a wistful glance

Enter, enter, enter to learn,
Through work and play finding the way to
Go forth, go forth to serve,
For the challenge is ours today!

We go forth to a higher call,
Holding destiny in our hands,
We, the light of a weary world,
We, the hope of all troubled lands

Enter, enter, enter to learn,
Through work and play finding the way to
Go forth, go forth to serve,
For the challenge is ours today!

The culmination of three years of work and play.

On June 16, three hundred and eighty-four Seniors, having entered three years ago to learn, now went forth into the world to serve. The students and invited guests were entertained by a selection "Espana" by the orchestra, a flute solo "Scherzino" by John Hadley, and the song "Oh, Brother Man" by the Senior Chorus. The class was inspired by a talk "The Stepping Stones of Life," given by Dr. Asa S. Knowles, the President of Northeastern University. The diplomas were presented by Ernest E. Chase, Chairman of the School Committee. After the Class Song, the graduates marched out of the hall, ending a beautiful graduation.

Class marshals: William Eastwood, Louann Page, Diane Johnson, and Edward Mahan.

The fateful moment is nearing.

A Last Wonderful Memory . . .

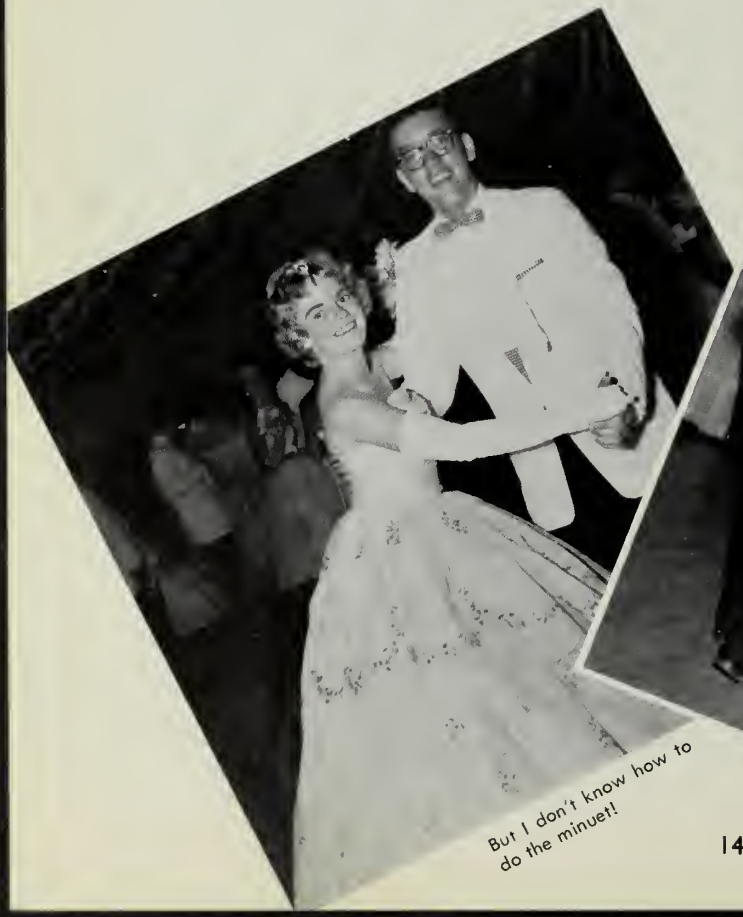

Swing your partner!

A short rest for those tired feet.

The Senior Reception of 1960 was held on June 17. Seniors and their dates had a beautiful evening to remember as a climax to three years at Beverly High.

But I don't know how to do the minuet!

The pleasure is mine.

Senior Reception, 1960

And this is . . .

Time out for . . .

Highlighting Reception Night were the receiving line, the grand march, and the ever-popular punch line.

Listen for the first note.

Someone's kicking me.
